- ...y en este rincón presento:  
**PERSONAJES DE "CONDORITO"**
1. **YAYITA.** Mi eterna novia. Linda y coqueta, dejó de ser hace tiempo la sencilla provincianita de Pelotillehue. Esta pícara capital la fue transformando en la muchacha moderna de ceñidos pantalones, sweater sugestivo y peinado inflado. Es macanuda, ¿verdad? La amo, aunque a veces me haga sudar tinta china...
  2. **DON CHUMA.** Mi compadre paleteado o "cumpa", como suelo decirle. De alma noble y generosa, es mi saca de apuros. Su clásica frase "no se fije en gastos, que para eso su compadre tiene", lo dice todo.
  3. **PEPE CORTISONA.** Un "pije" ocioso, pero con más patas que un cientopíes. Es mi rival. Pretende a Yayita, para lo cual cuenta con su "pinta" y un poderoso aerodinámico, que todavía lo está pagando con letras...
  4. **TARZAN A DIETA.** Otro pretendiente de Yayita. Sus admiradoras lo llamaban simplemente Tarzán, pero la austeridad se encargó de dejarlo a dieta... Le doy poca bola...
  5. **CABELLOS DE ANGEL.** Un antiguo compañero de barrio. Como vendedor de gomina para el pelo fue un fracaso. Ahora va a domicilio para desholllinar chimeneas...
  6. **DON CUASIMODO.** Padre de Yayita y mi futuro suegro. Su expresión no es precisamente de las más acogedoras. Se gasta un geniecito...
  7. **"CHE" COPETE.** Un hermano de la otra banda. Cordial y agradable, no le sacan una "guita" ni con tirabuzón. "Se manda la parte diciendo que es "dotor" en "minas"..."
  8. **COMEGATOS.** Por donde anda él, jamás se verá un gato. Mírenle los rasgos felinos que ha ido adquiriendo su cara. Asegura la excelencia de la carne de gato. Nadie podrá demostrarle lo contrario...
  9. **CHULETA.** Un amigo que usa patillas a lo cochero, porque maneja una "victoria". Muy malo para jugar al "cacho"...
  10. **WASHINGTON.** Un perro de escasa inteligencia y sumamente torpe para las matemáticas. Su única "gracia" consiste en levantar la pata trasera para rociar al roto Quezada...
  11. **EL ROTO QUEZADA.** Su nombre lo indica todo. Figura en las paredes y ataca de preferencia al sexo débil. ¡Felón!...
